Greetings!

Throughout my lifetime I have acquired a vast array of skills which have positioned me to be a leader and adaptable to any situation that I enter. With my internship experience, work experience and community involvement I attest that I will be an asset to your company.

I am currently pursuing my Bachelors of Business Administration concentrating in Management at Savannah State University, where I am actively involved in the community. I am currently a trainer and depal point of contact at Target Distribution Center where I exhibit skills in leadership and team through constant interaction with others. In Fall of 2012, I received an internship at Today for Tomorrow, Inc. where I enhanced my teamwork skills and leadership skills. I also developed skills in the planning, coordination and administration of the Fundamental Academy.

My experience runs the gamut from training, planning, coordinating and tertiary management. If you have any question please do not hesitate to contact me via email or phone. I would be thrilled to speak with you at your earliest convenience.

Thank you for your time and consideration.

Curtis Hubbard Jr.
